BATTLE AXE'S BOOK OF THE MONTH

The Shadow of the Wind by Carlos Ruiz Zafon

This best-selling Spanish novel (translated into English by Lucia Graves) begins with a young boy named Daniel, who discovers a strange, forgotten novel in a bookstore: it's called THE SHADOW OF THE WIND, and the rumor is that its author is being plagued by a man who is trying to track down copies of the book so he can destroy them. As the story moves out of the 1940s and Daniel grows up, he becomes consumed with investigating this bizarre story and the life of the book's author, and the search for the truth takes him not only into the lives of others but deeply into his own background.
